To

The General Secretary to Government.

Sir,

With reference to correspondence ending with your letter No. 5207/P.S.23-22-29 dated 26th February 1923, forwarding for my opinion, the petition received from the Secretary, M.V.R.C. Association, Bowring pet, praying for the supply of a copy of the Mysore Gazette to the Free Reading Room at concession rates, I learn that a few institutions are being supplied with the Mysore Gazette at concession rates and if an extension of this policy is approved by Government, this institution may be shown a similar concession, as well as several other free reading rooms, which are also sure to apply if a precedent is established. On behalf of the application it may be stated that the supply of the Gazette at half rates to free reading rooms will enable a large number of people to read the Gazette and make themselves acquainted with important Government orders as published therein, and the measure will be of benefit both to Government and the public.

The petition received with the above is herewith returned.

I have the honor to be,
Sir,

Sir,

With reference to your letter No.E 4614/P & S 23-22-22 dated 27/1/23 asking me to address the I.G.E. in Mysore for the supply of a copy of the Mysore Gazette at half rate, I have the honour to bring the following few facts for your kind consideration and early favourable orders.

This association was formed some twenty years back consisting of boys for charitable purposes. Since then the members of the association are all grown up and are no longer boys but however the association is running under the same name and some subscriptions are being collected. The charities run by this association are water pendals during summer, feeding the poor, small scholarships to students & etc in addition to which a Free Reading Room is now added from the 1st of January 1923 suitable free accomodation being secured perminantly in Madhava Dharmasala a grand choultry errected for the free use of the public by a philonthraphic gentleman Mr. M.V.Ramalingam Chetty of Bowringpet.

In view of the above facts, I earnestly pray that Govt. ment may be pleased to sanction my request.

I have the honour to be, Sir,

Your most obedient servant,

Secretary.

Sir,

With reference to your letter No.E.303/P.& S.12-23-2, dated the 23rd instant, I have the honor to forward herewith a list of Reading Rooms and other private institutions to which the Gazette is now supplied free, with the authority for such supply and to state that there are no institutions to which the Gazette is supplied at concession rates.

As regards the proposal of the Inspector-General of Education to supply the Gazette at concession rates to free reading rooms, I have the honor to invite your kind attention to the second para of General Secretary's letter No.E.3959/P.& S.23-22-13, dated the 22nd December 1922 promising to issue separate orders about curtailing the supply of the Gazette to private institutions and other Governments and to state that the proposed extension of the concession of Gazette supply is not in accordance with the intention of Government to curtail its supply. With a view to improving the finances of the Mysore Gazette, Government ordered in G. O. No.E.1310-70/P.& S. 37-22-1 dated 22nd August 1922 the enhancement of the rates of subscription and of postage and of the rates for publication of private notices and advertisements and withdrew the concession, till then enjoyed by Patels, Shanbhogs and Shekdars of receiving the Gazette at half the scheduled

scheduled rates. In these circumstances, it does not seem necessary to extend the concession of Gazette supply either free or at concession rates to reading rooms and private institutions.

I beg to take this opportunity to request that early orders may be kindly passed on the general question of reducing the free supply of the Gazette to private institutions and other Governments as promised in the General Secretary's letter of the 22nd December 1922 referred to above.
